What we are looking for:

- A warm and welcoming environment
- Teachers aware of everyone's needs
- Children listening more carefully
- Helpful equipment being used
- Children helping each other
- Helpful displays showing things children can learn from
- Group work
- Teachers working with a different table than just the children who need the most help
- Motivation techniques and rewards e.g. best work gets prize
- Children giving ideas in the lesson
- Noise of learning (not just silence at tables)
