- \* England
- \* France
- \* Italy
- \* Lithuania
- \* Poland
- \* Romania
- \* Spain

# THURSDAY 14<sup>TH</sup> JULY

At any point during the day, please arrange a time for you and your class to dance. If you want, you can dance with your year group to the music your country either in the playground (Mr Shepherd has got the speakers ready and is collating music from different countries. Just tell him when and where he is needed) or in the lower hall (see timetable).

LOWER HALL OUT OF NORMAL ACTION  
ALL DAY TO FACILITATE THIS.

In order for school council to manage this properly, we need to know when you plan on dancing and where.

Please note, the Lower Hall can only be booked per year group, not per individual class.

There will be a timetable in the staffroom for your teacher to sign up for.

If you are doing it just as a class, please use your classroom or playground.

If your class  
draws 'Brazil',  
you can dress  
like this:

\* Over the next couple of days, as a class you should research your country so that everyone knows what to wear on 14<sup>th</sup> July

\*Time to draw the  
classes!

# Purpose of the day:

Celebrate a national event

Be more aware of different countries across the world

Raise money for an important charity and the school

Have fun!
