

* 1. Bartek Dress Up and Dance

- * As you know, SLT mapped out the fundraising and charity involvement throughout the year in order to ensure School Council had a session in which to decide what to do and who to raise money for.
- * School Council decided that they should organise something fun which would inspire and engage the children and the community.
- * We have chosen to take part in the national event Dress Up and Dance with Macmillan charity. Half the proceeds will go to them and the other half for our school to fundraise further school council projects.
- * As this Summer the Rio Olympics will take place, we thought it would be cool to do a Dress Up and Olympic Mash Up

9. Daniel

- * After filling out detailed Action Plans, we decided that each class will come to school dressed up in the flag colours / traditional costumes of the country that they pull out of the hat.
- * In order to make it as purposeful and relevant to our diverse school, we looked at the ethnicity spread across the school and each of the countries who are involved in the 2016 Olympics to put the names into the hat of what choices each class can pick e.g. in the continent Africa, our school has many Somalian children and so that will be one of the countries in the hat
