Dear Parent / Carer

Y6 SATS**SATs week**

Well done to staff and children in Y6 for getting through the week. The children worked on several papers throughout the week on spelling, grammar and punctuation, reading comprehension and maths. The staff thought the papers were generally quite fair and I hope that the children felt prepared and are now pleased to have them behind them.

We continue to be involved with assessing children's writing, but the children have several positive events to look forward to and prepare for including school journey, the Y6 performance, leavers' assembly and secondary transition events.

Animal Antics in the nursery

Nursery and Rainbow had a visit from Animal Antics. The children had an opportunity to hold or touch different animals like snakes, cockroaches, millipedes and even a bearded dragon. The children really enjoyed their experience.

**Reception visit the Natural History Museum**

This week, Reception classes went on a school trip to the Natural History Museum. The excitement began with a train journey into London, which was a highlight in itself! At the museum, children were amazed to see dinosaur skeletons, fossils, sparkling gemstones, and animal displays. Children were thrilled to learn facts about dinosaurs and other animals. It was a wonderful day of learning outside the classroom and a memorable experience for all! As always, a big thankyou to all our parents who helped us on the trip – without your support this wouldn't be possible!!

**Walk to school week**

Thank you very much to Mrs McKeon who has co-ordinated our walk to school week events. The children will be asked about their journey to school next week and we hope there is an increase of children walking, scootering, cycling, catching the bus or tube or even 'park and stride' (parking a distance away from school and walking part of the journey)

Mrs McKeon has also distributed information about an art competition where children are asked to submit artwork depicting what an ideal school street would look like. Entries are due in after the half term.

Good partnerships (repeated message)

To assist with good partnerships and make communication easier, we have the following email contacts for families to use. Please let staff know of things that are going well or alert them to any difficulty that you think we can help with. Please can I remind families they should not approach other parents / carers about any difficulties between children as this only results in making the matter worse. Please raise any worries with the school and we will liaise with others

if necessary. If another parent / carer approaches you, please do not respond but ask them to contact the school.

Contact emails are:
