Meet the teacher meeting in class.

**MONDAY 19TH
SEPTEMBER**

Zoolab workshop in classes.

**MON 26TH-FRID 30TH
OCT**

Half term
break

Autumn Curriculum Overview

Our topic **WRIGGLE AND CRAWL**

The focus in the Wriggle and Crawl topic will be Science. The children will be learning about the 7 life processes and how these are relevant to all living things including humans. We will also be investigating the habitats of animals and insects, both locally and in the wider world. We will also be learning about food chains and the lifecycle of an insect.

Mathematics

In Maths we will be learning about:

- Place value
- Counting forwards and backwards in 2s, 5s and 10s
- Recognising odd and even numbers
- Number bonds to 10, 20 & 100
- Greater than (>) and less than (<)
- Mentally adding and subtracting numbers up to 20.

Make sure your child logs into mathletics.

In English, we will be securing sentence-level skills through a range of different genres. We will use picture books to help us understand the purpose and features of different types of writing. Children will develop their ability to write clear and effective sentences, focusing on punctuation, grammar, vocabulary and spelling while building confidence as writers

PE

The focus in PE will be upon developing their personal skills, using coordination; floor movement patterns and static balance; standing on one leg.

Reading

- Read accurately and fluently
- Use phonics to sound out unfamiliar words
- Develop vocabulary by discussing the meaning of new words
- Improve comprehension by talking about what they have read
- Predict what might happen next in a story
- Answer questions about characters, events, and information
- Express opinions about books and explain their thinking

Please read with your child every day and sign their reading record. Reading books are changed twice a week, and children may keep the same book for two nights to build confidence and understanding.

Children are also encouraged to enjoy a variety of reading materials, including storybooks, comics, magazines, and newspapers.

"The more that you read, the more things you will know."

RE (Christianity) & PSHCE (It's Our World)

In RE we will be learning about What does it mean to be a Santhani (a Hindu)?

Our PSHCE focus is 'It's Our World' where the children will be creating their class charter linking to our school rights and respecting ethos.

Music

The children will continue to develop their knowledge of how to use a range of instruments to help their compositions. Our music teacher and class teachers will teach the children music.

If you have any questions please email the team at:
