

..to inspire, to encourage, to learn, to achieve..

Dear Parent / Carer

Please don't forget that it is a long weekend this week with the bank holiday Monday. Children are expected back in school on Tuesday 6th May. Enjoy the sunshine...

Power day

Thank you so much to Mrs Chaouki and school council for arranging power day this week. Children had the option to choose their own power today. Children arrived to school with an array of hairstyles, their own clothes and numerous cuddly toys visited. The event created a positive buzz around the school as well as generating funds for the school.

Email addresses

As you know, we are changing our reports this year. Reports will be sent out by email and therefore it is vital that we have correct email addresses. If you have changed your email address or not provided us with one and wish to receive your child's report to this address please ensure you have updated your contact details with the school office.

New school menu

Children have been enjoying the new school menu which has started this term – the menu is displayed on the school website. Please remember that school meals are free to all school children and even if children haven't had a school lunch previously, please look at the new school menu and encourage them to try.

Parking locally

I have mentioned previously that we do need to show consideration to local residents when parking in nearby streets. Please do not block driveways even if you are only quickly bringing children into school. It does cause tension with our neighbours and not a great way for any of us to start the day.

Sports camp

May half term multi-sport camp with Skillz4Life! Flyer with all the information included. To book a place for your child please click on the link below and then 'BOOK NOW'. You will need to create an account when booking for the first time.

<https://www.skillz4life-sportscoaching.co.uk/>

Short breaks

Please find attached a 'Short Breaks' booklet outlining activities for children with SEN over the holiday.

Good partnerships (repeated message)

To assist with good partnerships and make communication easier, we have the following email contacts for families to use. Please let staff know of things that are going well or alert them to any difficulty that you think we can help with. Please can I remind families they should not approach other parents / carers about any difficulties between children as this only results in making the matter worse. Please raise any worries with the school and we will liaise with others

if necessary. If another parent / carer approaches you, please do not respond but ask them to contact the school.
