Dear Parent / Carer

HTPS Values and Expectations

Last week, Year 5 and Year 6 councillors were lucky enough to work with a Graphic designer. Mrs Rohita Moghe – parent of Neha in Year 6, hosted a session all about her role as a graphic designer and the work she does. She taught the children how to use graphic designing tools to make a poster and explained how branding works. The children were fascinated and learnt so much! They will be continuing to use the skills and software to develop our school value posters. We hope to be running another session for Year 3 and 4 councillors too! Thank you to Mrs Moghe and if you think you can help school council out with this project in anyway, please email year2teacher@hounslowtownprimary.co.uk or speak to Mrs Chaouki.

Language of the term

Kurdish is now the 20th language spoken in our school. We decided to choose Kurdish to reflect the arrival of several new families who speak Kurdish, and we see this as a wonderful opportunity to warmly welcome them into our diverse school.

Over the years, we have celebrated many of the other languages spoken at our school, and now it is time to shine a spotlight on Kurdish. We eagerly anticipate exploring the rich culture, traditions, and history associated with this language.

Young Voices

Mrs Millet has been working hard to arrange our Young Voices trip. A letter with the final details was sent by ParentMail to the families of the 41 children attending. If your child is attending please ensure you have received this letter as it includes important information on the timings of the day and what children need to bring. I hope the children and families are feeling excited about the event – it is attended by many schools and often cited as a fantastic memorable event. Thank you to Mrs Millet for arranging and to staff who are attending.

Starting nursery (repeated message)

If you have a child born between **1st Sept 2020** and **31st Aug 2021** you are able to take up a nursery place for September. The closing date for applications is **8th March** and a flyer is attached to this newsletter with further information.

Nursery is a crucial stage of a child’s education and start of formal schooling. We have 4 nursery classes available and offer either a morning or afternoon session for 3hrs. Children are supported with socialising and developing basic skills. For some children this is their first big step to being independent and we look to work closely with families forming a good partnership to enable all children to reach their potential and enjoy school. If you require any further information about what we offer as a school or assistance with making an application please ask at the school office.
