Dear Parent / Carer

Starting nursery

If you have a child born between **1st Sept 2020** and **31st Aug 2021** you are able to take up a nursery place for September. The closing date for applications is **8th March** and a flyer is attached to this newsletter with further information.

Nursery is a crucial stage of a child's education and start of formal schooling. We have 4 nursery classes available and offer either a morning or afternoon session for 3hrs. Children are supported with socialising and developing basic skills. For some children this is their first big step to being independent and we look to work closely with families forming a good partnership to enable all children to reach their potential and enjoy school. If you require any further information about what we offer as a school or assistance with making an application please ask at the school office.

Building work in nature area

On Monday contractors will be digging a channel across a small corner of the nature area. There should be minimal impact on the school and the area being affected should be fully secure for children. This is electrical work for a property along Pears Road, and we have been requested to assist with them upgrading the electrical supply. You may have noticed contractors working outside of the school, and we anticipate this work will be completed over 4 – 5 days.

School review

On 27th – 29th January we will be having a school review. We work with an organisation called Challenge Partners and a part of the work they do is to complete reviews. A team of 3 reviewers and a lead reviewer will visit the school over 3 days to complete observations, look at school documentation, meet with staff and children. They will consider 'what works well' in the school (WWW) and also 'even better ifs' (EBIs) and write a report for the school which governors and staff will consider. Am sure this will be a great opportunity for us to show what we offer at Hounslow Town!

Good partnerships (repeated message)

To assist with good partnerships and make communication easier, we have the following email contacts for families to use. Please let staff know of things that are going well or alert them to any difficulty that you think we can help with. Please can I remind families they should not approach other parents / carers about any difficulties between children as this only results in making the matter worse. Please raise any worries with the school and we will liaise with others

if necessary. If another parent / carer approaches you, please do not respond but ask them to contact the school.
