Dear Parent / Carer

### World book day

Thank you to parents/carers for all of your support during World Book Day. It was wonderful to see children put so much effort in to dressing up as their favourite characters. The children had an amazing day and engaged with the following activities:

- Book tasting
- Creating book collages/book covers of their favourite books
- Creating characters out of lolly sticks
- Visits from our reading ambassadors and reading buddies and listening to them read
- Creating video clips and posters to showcase why they enjoy reading

The day was a huge success and one to remember!

### Writing Poetry Competition

Miss Weldrick was overwhelmed by the amount of entries for this half term's poetry competition. The poems were written to an exceptionally high standard and there were many that made her laugh, gasp or even cry. We are very proud to have such talented writers here at Hounslow Town Primary School. It was very hard to choose a list of winners, but Miss Weldrick has selected the following children for their use of emotive and creative language:

Davi - 3 Ruby

Yuven- 3 Ruby

Zoie - 3 Red

Milie- 3 Red

Jasraj - 3 Magenta

Daniella - 4 Scarlet

Aadhya - 4 Rose

Siddhi - 4 Rose

These children all received a certificate and small prize during their Star of the Week assemblies this week. Y5/6 winners will be announced next week.

### Coffee Morning

A big thank you to the parents who attended our Coffee Morning linked to enrichment opportunities across the curriculum. Parents found the information from subject leaders very useful and were surprised at the amount of free learning opportunities outside of school in the Hounslow Borough. The next Coffee Morning will be held on Thursday 26<sup>th</sup> March and will be linked to supporting Mathematics learning at home. All parents are welcome to attend.

### Power Professionals Panel – An Idea We'd Love to Explore

We are currently exploring an exciting idea called the Power Professionals Panel — a careers event designed to inspire pupils and broaden their understanding of the jobs of the future.

Our hope is to invite parents, carers, and members of the local community to deliver short 10-minute presentations about their profession, the skills involved, and what their work looks like day-to-day.

Pupils would then be able to sign up for the sessions that interest them, attend these mini-talks, and take part in a short Q&A.

At this stage, we are gathering interest to see whether this is something we can move forward with. If you think you might be interested in being part of our Power Professionals Panel, or would like to know more before deciding, please email us at:

### Parent teacher consultations

We will be holding our parent teacher consultations in the last week of the term from Monday 23<sup>rd</sup> March to Thursday 26<sup>th</sup> March with a later evening offered on the Wednesday. Please try to ensure that you attend as it is a vital part of the home school partnership to be able to have a discussion with your child's teacher and see your child's workbooks.

We have a new system in place to book appointments on line. You will shortly receive an email from **Support.jw@junipereducation.org** which is not the schools usual email address so check your spam box if it does not show in your inbox. You will need to create a password to allow you to book your appointment.

### Good partnerships (repeated message)

To assist with good partnerships and make communication easier, we have the following email contacts for families to use. Please let staff know of things that are going well or alert them to any difficulty that you think we can help with. Please can I remind families they should not approach other parents / carers about any difficulties between children as this only results in making the matter worse. Please raise any worries with the school and we will liaise with others if necessary. If another parent / carer approaches you, please do not respond but ask them to contact the school.
