Dear Parent / Carer

Malawi Day Success!

We are delighted to share that our recent Malawi Day was a wonderful success. Children fully embraced the spirit of the day by coming to school dressed in the vibrant colours of the Malawi flag, creating a real sense of unity and celebration across the school.

Throughout the day, pupils were engaged in a range of activities centred around the theme of celebrations and traditions in the UK. They showcased their learning by writing thoughtful letters, designing informative leaflets and eye-catching posters. Children developed their understanding of a variety of special events, including religious festivals, birthdays, royal weddings and even a coronation, demonstrating enthusiasm and curiosity in their work.

During our discussions about Malawi, we explored both the similarities and differences in daily life, helping us to broaden our understanding and appreciation of another culture.

A sincere thank you to all families for your generous donations. Although totals are still being counted, your support is very much appreciated and will make a real difference to Chimphepo Primary School in Malawi.

Staffing

Miss Waheed will be leaving today to start her maternity leave. Wishing her all the best and will share her news once the baby arrives. Miss George will cover 3 Ruby to the end of the year.

Miss Abdulle also has an exciting half term planned as she is getting married during the holiday!

Learning to Respect Week

Straight after half term is our annual **Learning to Respect Week (1st - 5th June)**. This special themed week explores what respectful and healthy relationships are and promotes ways of being respectful to each other. As in previous years, parents and carers are invited into school to help their child with a special project. This year, each child will get a 'kindness case' to decorate and keep. Please see below for when you are invited in to school to support your child with this fun activity. A letter has also been emailed to all parents. We hope to see you then!

Reception outdoor area

Please can I remind families that children should not be playing with or using equipment in the Reception outdoor area at the start or end of the school day. Regularly equipment is being moved and left in other parts of the outdoor space or simply just dropped to the floor as other families are dropping off and collecting. Please can all parents / carers oversee what children are doing and supervise children to make sure that they are not accessing equipment and resources. Children should not be on the bikes and cars, especially when these areas are congested. Staff work really hard to make these outdoor areas stimulating and it is frustrating when they are spoilt as families aren't supervising or stopping children. Thank you.

Thriving together poster

I am attaching information about a six-week parenting empowerment programme taking place face-to-face in Heston. This is part of the Thriving Together programme and the email address to register, or to request more information is FFISgroupprograms@hounslow.gov.uk

Half term

I hope that everyone is aware that next week is half term and so the school is closed to families. The sports camp is running as usual for any families who have booked holiday provision.

Behaviour champions

Well done to the classes below who have had a great week:
