Dear Parent / Carer

Parent / carer survey

Please make sure that you have completed the parent / carer survey – we do really value the feedback from families and it does inform the direction of the school going forwards. The link was provided last week and ideally would like it to be completed by the start of next week. We will close the survey on Thursday 16th July. Thank you.

Transition day

I hope that the children enjoyed their morning in their new classes on Tuesday. New staff attended the school and had a great first impression. We offer a transition morning to give children security about arrangements in September. I hope they came home and told you about their day – they (and you!) need to remember who their new teacher is and which class they will be in.

Reports out

I would like to thank staff for their hard work on generating reports. As last year, we have issued reports electronically and you should have received reports today. If for any reason you have not received your child's report please let us know next week and we will make sure a hard copy is provided for you. You are able to have a follow up meeting with your child's current teacher of you wish to – please approach staff and make a time for an appointment. I would like to thank Mrs Khan for her assistance with organising our report process.

Art day

Today we had a whole school Art Day, where the children have been fully emersed in completing art activities. The focus of our day was to look at local artwork, including Feltham Green Murals, Liquidity in Brentford, The Percy Lion at Syon House, Dragon Fly on Hounslow Heath, The Treaty Centre Sculpture, Graffiti from Feltham Circles, The Acrobat from the GlaxoSmithKline Building and Murals.

All of the children have enjoyed creating their artwork with a wide range of activities on offer including collage from natural resources, string and foil art, graffiti, wire sculptures, clay and much more. We hope the children are proud of the work they produced today and have enjoyed their learning. Our aim is to display the children's work where the can still view it as they move up through the school.

I would like to thank Mrs Wood for her co-ordination of this event.

Bake off final

What a day...what a hot day! On Thursday, the eight finalists from different Hounslow schools joined together to bake and present their Showstopper Cake! Despite the odds being against them (a room with 8 ovens on and no air conditioning!) they did spectacularly well! We say it every year but the quality only gets better and better! Representing HTPS was our very own Freddie who brought an extra level of fun to his

creations. Freddie baked 8 chocolate cup cakes and decorated them with the flags of the remaining 8 teams left in the World Cup. Inside 7 of the cakes was a Biscoff filling and inside the final cupcake was jam. Freddie's challenge was to find the cupcake that had the jam inside. This was also his prediction of who he thinks will win the World Cup. The jam filling was found in the.....France cupcake!

Unfortunately, Freddie just missed out on first place, with the winner coming from Chatsworth school. Well done though, Freddie. You did a great job!

Archery Workshop

Over the past few weeks, our KS2 children have been enjoying taking part in a Soft Archery workshop. Throughout the sessions, they have learned how to safely and correctly handle a bow and arrow, building both confidence and new skills along the way.

The workshops have included a range of fun and engaging team games, giving the children plenty of opportunities to practise their aim and develop accurate shooting techniques. It has been wonderful to see their enthusiasm, focus and progress each week.

Next week will see the final round of workshops, bringing to an end an exciting and enjoyable experience for all of our KS2 children this term.

Year 1 - A Visit to Richmond Museum

Last week the children in Year 1 enjoyed a fantastic visit to Richmond Museum. We went on the H37 bus from Hounslow bus station to Richmond. The children were quite excited at crossing the River Thames, as it had featured in much of their learning this half term. Once at the museum we were greeted by Vicky who talked to the children about toys from three different historical periods; Roman, Tudor, and Victorian. The children then had the opportunity to explore first-hand a fantastic range of toys. They were set the challenge of working out which historical period each set of toys was from, considering the materials that they were made of, the colours in the decoration as well as the variety of toys available. Of course, the children being the super detectives that they are, correctly matched each set of toys to the historical period. Everyone thoroughly enjoyed the visit and gained so much from it!

Good partnerships (repeated message)

To assist with good partnerships and make communication easier, we have the following email contacts for families to use. Please let staff know of things that are going well or alert them to any difficulty that you think we can help with. Please can I remind families they should not approach other parents / carers about any difficulties between children as this only results in making the matter worse. Please raise any worries with the school and we will liaise with others if necessary. If another parent / carer approaches you, please do not respond but ask them to contact the school.
